## Editorial

## New Decade Should Bring New Awareness of the Environment

This editorial is the first editorial in the *Flyer* in this new decade of 1990. With this new decade, Salisbury State University needs to adopt a new attitude towards our environment. Waste on campus and the lack of environmental programs on campus lead to the same point: SSU is doing little, if anything, to help sustain our existence on this planet.

Waste is common on our campus; in particular, the waste of electricity. Students who leave their lights, fans and televisions running when they leave a room and office workers who leave a computer running while not using it are wasting an energy source. An awareness program on campus could publish information that may prompt our campus community to conserve electricity. The initiative needs to be taken to help decrease the waste of electricity on campus.

A considerable amount of paper is wasted on campus. Computer printouts, both for the students and staff, constitute a large amount of paper that is used on campus and merely tossed into the wastebasket. However, to recycle this paper a recycling center has to be established within the city of Salisbury or somewhere in the nearby area. This problem needs to be addressed not merely here on campus, but within the entire city community. Students, staff and faculty can all make

their concerns known to the Salisbury City Council. As the problem exists right now, Salisbury could easily implement a program of separating trash but without a local recycling center for paper goods, all of the waste would be thrown in the same trash dump.

These are just a few ideas of the action that can be started right here on campus, but options are endless for campus programs. Until such programs are established, ask for paper bags at the grocery store instead of plastic bags. Recycle aluminum cans. Turn off the light when you leave the room and do not leave the water running endlessly while you brush your teeth. Do not drive to campus if you live nearby; ride your bike or even walk.

The *Flyer* has been printing a lot of columns and letters to the editor about the environment. Here we are in the 1990's and the *Flyer* needs to keep printing these type columns and letters until our campus...our nation...our world takes a stand and works to preserve the earth for our future generations.

Joann M. McCartney,  
editor-in-chief

## Letters to the Editor

## Earth Day

Dear Editor,

When the sun rises on April 22 of this year, it will be the dawn of the twentieth anniversary of Earth Day, a day designated in 1970 to remind people of the fragility of their planet. In the aftermath of Earth Day 1970, essential environmental reforms were made including the creation of the Environmental Protection Agency, the passage of the Clean Air Act, and the establishment of a number of wildlife refuges.

Here the human race sits twenty years later faced with an Antarctica-size hole in their ozone layer and toxic dumps littering "America, the Beautiful." Some of us realize our species is solely responsible for these environmental catastrophes and are working in campaigns to remedy them. (Environmental awareness has even reached the label on my Right Guard deodorant which states "ozone-friendly: no CFC's.")

However, the solutions for problems of such magnitude require the support of all of the guilty party, not just some of them. If you feel you are insignificant when it comes to helping out your planet, you are mistaken, for your concern combined with the concern of others will create the power of change. But make this concern habitual and not for a one-time appearance sake on Earth Day. Get into the practice of recycling your newspapers and aluminum, turning off your lights, saving your Wendy's wrapper until you see a trash can, and putting on an extra sweater instead of the heat.

Please take these suggestions seriously; we need the Earth much more than it needs us.

## AKA Experiences Racism

Dear Editor,

It was a cold night in November, a night we are not likely to forget. It was the night that seven women pledges of Alpha Kappa Alpha Sorority Inc. learned through a firsthand experience that racism is very much alive on the campus of Salisbury State.

It was the night that words of hate jolted from the mouths of white spectators like water from a fountain. It was the night that as seven black women, steadfast with conviction, marched and chanted on what some call a "racially liberal" campus, other students, who knew of no such ritual, taunted and ridiculed like elementary school youngsters on a playground. It was the night that these seven bright young women were given the name, "The Black Posse!"

What is a black posse? To that unknown white student that exclaimed such words, the black posse was a group of African-American women expressing themselves in a manner that he perceived as unfit. In the days that followed, the so-called "Black Posse" ... Lynn Jackson, Jessyca Howard, Lori Hayman, Monica Moody, Lesli Friend, Yetta Lewis and Nadine Heard were given another name -- this one more racially prejudiced than the first, "Nigger!"

Where does such dogmatism originate? No matter what the answer, we the students (black, white or other) need to take a stand and let it be known that there is no room for such ignorance in institutions of higher education. Rather than reroute pledges, the administration should have made it clear from the first such incident (which occurred on Nov. 29, 1989) that racially motivated attacks (verbal or physical) will not be tolerated and that those who partake in such activity will be dealt

with accordingly. However, that was not the case and all that we, the victims have to show for those episodes of misconduct are filed complaints, no results, tons of frustration and hopes that the recollection of this story will prevent further incidents of the nature.

The Women of Alpha Kappa Alpha

## King Responds to AKA Letter

Dear Editor,

Last November, seven African-American women began pledging to reestablish a campus chapter of Alpha Kappa Alpha Sorority. A number of issues emerged from that pledging process. Concerns were expressed that late night singing near residence halls was disruptive. That issue was raised directly with the group and immediately resolved. There were also concerns raised that some pledging activities might have constituted a form of hazing. These concerns are currently being addressed in the context of a review of the University's hazing policy for all Greek organizations. Finally, and most troubling, were the racially-motivated incidents described in the preceding letter. The investigation into these incidents remains open.

These acts of prejudice and hate cannot simply be decried and dismissed as the isolated acts of a twisted few. The recent nationwide increase in activity of the Ku Klux Klan, skinheads and other similar groups dedicated to propagating hate violence and the increase in racial incidents on college campuses in recent years are only two indicators which suggest a need to look beyond individual motives. We need to begin to examine the environment in which hate violence is so openly expressed.

During the spring semester the Dean of Students Office with leadership from the Minority Affairs Program will sponsor group discussions on race and diversity. Possible forums for these discussions are residence halls, student

organizations and classrooms. Training programs are scheduled for the Residence Life and Public Safety staffs this spring and summer. The Faculty Development Committee continues to play a leadership role in addressing issues related to the classroom and student-faculty relationships. Finally, the Orientation Leadership Team is developing a curriculum component on race and diversity for inclusion in next fall's Orientation Seminar.

In our Academic Long Range Plan we aspire to become a "Community of Scholars." As part of that plan we commit ourselves to education which promotes greater understanding and tolerance for individual differences and an appreciation of cultural diversity. The future will demand from us the capacity to relate more interdependently in a more diverse world- professionally, politically and in our communities. We have too much at stake, individually and collectively, to bring less than our best efforts to bear on improving race and human relations at the University. The Office of the Dean of Students invites comments and suggestions from all members of the university concerning how we work together to create an environment which reflects a respect for the rights and dignity of all individuals and the true spirit of our community.

Barry King  
Associate Dean of Students

## Blackwell Library

Dear Editor,

After attending this university for a few months, I am able to admit that we as students are provided with a library with an excellent reputation. Blackwell Library has an outstanding selection of reference materials and periodicals, and the computers made available are an added convenience. Also, the library

## My Two Cents

by David Lasher, columnist

I have some good news and some bad news. Which do you want first? On the optimistic side we have operating copiers in the library. The bad news is Columbus sailed the big lake faster than they repaired the previously user-frustrating copiers. I mean I saw a kinder, gentler philanthropist become an ax-wielding maniac worthy of Jason and his evil twin Freddy simply upon inserting his little library credit card into the foreboding machine. I'm just excited to have the credit card. I begged American Express for a Platinum card to no avail. I am proud to say that just by saying the magic word I have now established credit with Blackwell's

quick, easy credit plans, and faster than Exxon cleaned the Valdez oil spill (right!). Faster than the University Center got a new chair rail (whether it actually serves a purpose or not). We really are splurging at SSU. New copiers, new decade, new chair rails, new land (see the story in this issue), new building, new dorm....new headaches, new NOISE, new detours! Maybe now I can even lease that Porsche for the young Capitalists Club. We really could use it around campus. Heck, we could even buy new golf carts, excuse me, "Cushmans" (my tongue is in cheek and therapy) for Public Safety.

More importantly it would be nice to see the 'institution' subsidize the price of books which curiously outpaces

inflation quite handily. A new greenhouse worthy of a 'university' science department would be a good investment. Why not lights on the football field? A parking garage would be cool, too!

While we try to figure out what else to spend state funds on let me quickly plug the Route 13 pedestrian bridge. For several years an overpass has been requested. It is needed now more than ever with the additional classes and activities connected with the Power building. We know students really enjoy playing tag with Joe Isuzu and his friend Mack, the truck, when crossing Route 13, but it is about time for this project to get underway. Let's get our priorities together. If I were to spy on

say...Governor Shaefer I think my day would begin like this: "Gosh Hilda, the lawn really has a lot of weeds, say \$90,000 dollars worth. And all those pretty trees block the peasants' view of our beautiful castle. We should cut them down and have a state worker, not biased for us, declare the trees a safety hazard, after the fact. Salisbury State University really needs a chair rail, but that pedestrian bridge over 13 is a real waste of money. Besides, it would be so big and gray--how ugly! Hilda Mae, please pass the metamucil." The point I'd like to make is that instead of wasting money on unnecessary projects, could we please get our priorities straight??!!

## Senate Corner

It has become apparent that the Student Senate in its present form is ineffective at serving the needs of the students. In an effort to find a solution to this problem, the Student Senate is surveying 20 colleges and universities similar in size and structure to SSU.

The goal of this process is to gather ideas on how other institutions are structured.

Issues of main concern are how the senators should be elected so that all factions of the campus are represented.

An example would be to elect a representative from each dorm or department.

The Senate will be holding a mini-forum on February 28 at 3:45 p.m. in Nanticoke A to hear students' ideas on this subject. Persons interested in giving their thoughts or who want to serve on the constitutional revision committee are encouraged to attend.

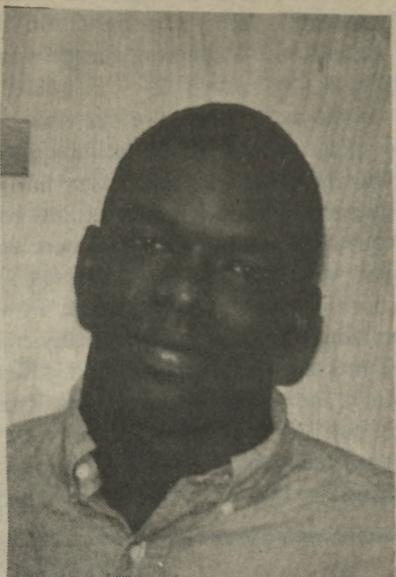

Robert Heid,  
Student Senate President

## Gull's Eye View

As a member of the football team, how do you feel about Coach Dailey's recent resignation?

Bruce Lesh, junior- I feel that it's positive for the program and for the coach himself. I'm also looking forward to next season. It's all I can think about!!

Che Abdullah, sophomore- It's too bad that he's gone, but it's a step in the right direction and everyone can expect big things for the S.S.U. football program.

Rick Helton, sophomore- Everyone is excited! We feel there is a new lease on the future!

Dan Quinn, freshman- It's getting us excited because we now feel there are good things coming for S.S.U. football.

## University Acquires New Land

by Jeff Bernstein, reporter

Salisbury State University has obtained 9.3 acres of undeveloped land and a tennis barn across Route 13. This area, near the athletic fields and the Power Professional Building, is being called East Campus.

The state of Maryland paid \$73 thousand per acre and the tennis barn was purchased for \$390 thousand, according to Joseph Gilbert, vice president of administration. The purchases were made as separate deals.

The tennis barn has three courts and

was scheduled to open to students on Monday, February 19. Students will have to wait longer to use the undeveloped land. The land was purchased with rights of way granted to the city of Salisbury for a road and to Delmarva Power for power lines. SSU will have to negotiate with these two parties before it can do anything else.

The next step in developing the land is to level it, install a sprinkler system, plant grass and care for it.

"We're probably looking at two years before we can...expect to use the greenspace," said Gilbert.

This land replaces greenspace on the west side of Route 13 that was used to build Chesapeake parking lot and a new

building. The area will be used for practice fields for varsity sports, intramural sports and recreation.

Andrew Day, photographer  
The new land, being called East Campus, was purchased by the University for future development.

## New Drop/Add System

by Sharon Bold, reporter

A new drop/add system was tried this semester in response to numerous student complaints.

According to K. Nelson Butler, vice-president of academic affairs, students who were shut out of classes were allowed to attend drop/add on Saturday, February 3. This allowed them to add classes that were open, due to dropout, before registration began. In past years, priority drop/add was held after registration.

The new system is in response to the complaint that students who preregistered and did not get their classes were not being allowed first choice at the classes remaining. This first choice had been given to students who were attending late registration.

Butler also said, in response to many rumors, that no senior should be kept from graduating because he or she was shut out of a course. This guarantee applies to all seniors as long as they have met all the other requirements for graduation and have not failed courses.

He said he has not heard of any such cases, but if students have a problem they should speak to their department chairperson.

In addition, Butler stated that students should realize that not every student will have a 10 a.m. to 2 p.m. schedule. Many students come to drop/add simply to change sections. Students may not always get the teacher or time they request, but 75 percent did get their requests filled course-wise, Butler said.

# Black History Month Celebrated

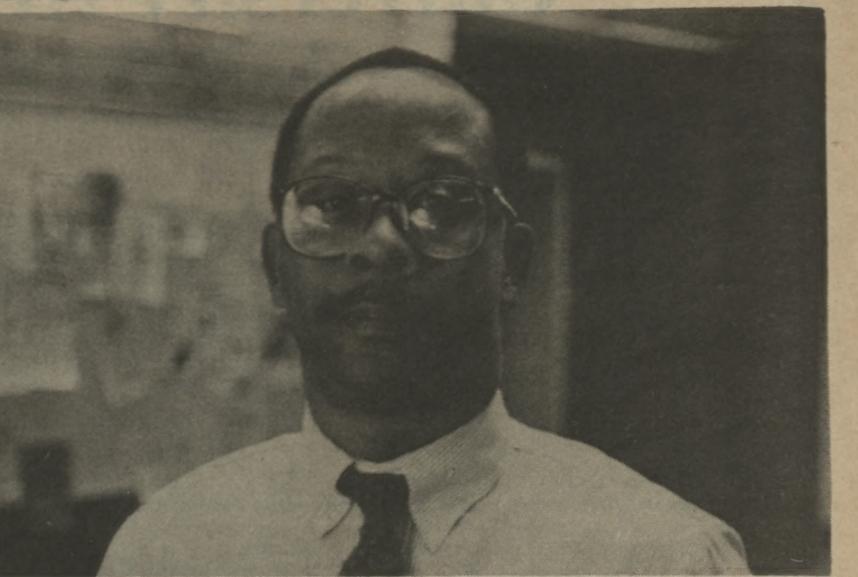

by Byron McCrae, staff writer

Griots Wa Umoja, a group that performs African songs and dance and features a groot (storyteller) kicked off Salisbury State University's Afro-American History Celebration on February 11.

Following the song and dance group was a lecture on February 13 entitled "Public Policy and the Black Community," which was presented by Dr. Samuel L. Myers, an economics professor at University of Maryland at College Park. On February 17, a Valentine's Dance was held in the University Center's Wicomico Room.

**The Union of Afro-American Students and University Dining Services will co-ordinate tonight's Black Awareness Week Soul Food Dinner.**

Andrew Day, photographer

**Associate Dean for Minority Affairs John Fields works in the office which is coordinating the Black History Month Events.**

White explains that, "history shows that Blacks had a very significant role and contribution to that era." A group from the Afro-American Interpretive Programs department of the Colonial Williamsburg Foundation "will be visiting two classes during the day -- a

class in Black history and a class in Black literature. That evening at 7:30 they're going to do a performance in Caruthers Auditorium," White said.

The Afro-American History Celebration will carry over into March. The Minority Leadership Committee will sponsor a panel discussion entitled

## Crime Beat

submitted by James L. Phillips, director of Public Safety

In an attempt to identify suspects, descriptions are only given if they are accurate enough to facilitate identification.

2/1 11:59 a.m. Theft - wooden coffee table stolen from Severn Hall.

2/2 11:35 a.m. Theft - Magnavox VHS Camcorder stolen from an office in Maggs Gym.

2/2 11:35 a.m. Theft - money stolen from an unlocked office in Maggs Gym.

2/2 11:35 a.m. Theft - money stolen from an office in Maggs Gym.

2/2 11:32 a.m. Theft - a bicycle was stolen from the bike rack at the south end of St. Martin Hall. The cable lock was cut. Description: Murray, Red Wing, mountain bike, 26 inch frame.

2/2 4:49 p.m. Theft - cash stolen from campus mail.

2/3 5:53 p.m. False Alarm - pull station activated on the first floor of Chester Hall by unknown person.

2/4 11:00 a.m. Marijuana Complaint - investigation of the odor of marijuana in a room in Pocomoke Hall.

2/4 11:35 a.m. Vandalism - windshield was cracked on a vehicle parked in the Chesapeake lot.

2/4 1:16 p.m. Theft - an area rug that was left unattended in a hallway of Choptank Hall was stolen.

2/4 2:20 p.m. Vandalism - the side view mirror of a car parked in Devilbiss Hall lot was broken.

2/9 12:07 a.m. Disorderly Conduct/Alcohol Violation - an underage resident student caused a disturbance in the Quad. He was escorted to his room by officers. Administrative action pending.

2/9 11:25 a.m. Vandalism - two vehicles parked in the Chesapeake lot had wiper blades broken.

2/12 10:05 a.m. Theft - green parking decal #5491 was removed from an unlocked vehicle parked at College Park Apts. The decal was not properly affixed to the windshield.

2/13 2:50 p.m. Theft - cash stolen from a greeting card mailed from Baltimore to Salisbury addressed to a student in a residence hall.

### PERSONAL SAFETY TIPS

These personal safety tips, compiled by the Department of Public Safety, apply when on campus as well as in the Salisbury area or wherever one may reside. The precautions may lessen the likelihood of becoming a victim. Increasing awareness of crime

prevention techniques may decrease the opportunity for a person to commit a criminal offense.

1. You are your own best protection.
2. Keep your door locked at all times. Don't unlock the door for strangers. Keep your first floor windows locked.
3. Walk in well-lit areas and stay near the curb, away from alleys, entry ways and bushes where someone could be hiding.
4. Do not walk or jog alone after dark.
5. Avoid shortcuts. Walk where there are other people present.
6. Do not hitchhike or accept rides from strangers. If a driver asks you for directions, stay far enough away so that you cannot be pulled into the car. Do not pick up strangers.
7. If you are being followed when walking, change directions, cross the street and vary your speed. Go to a well-lit area or a place where there are other people. If followed by someone in a car, turn and walk in the other direction. Record the license number.
8. Park your car in a well-lit area and lock the doors.
9. If you need an escort to or from your car, call the Department of Public Safety 543-6222.
10. Report any suspicious activity or crimes to Public Safety.

For more information on personal safety contact Public Safety, located in Holloway Hall room 022, 543-6222.

## RESERVE OFFICERS' TRAINING CORPS

## OPPORTUNITY KNOCKS ON THESE DOORS FIRST.

Why? Because Army ROTC helps you develop management and leadership skills. Builds your self-confidence. And makes you a desirable candidate in the job market.

There's no obligation until your junior year, but stick with it and you'll have what it takes to succeed—in college and in life.

### ARMY ROTC

TO YOUR SPRING SCHEDULE. FOR MORE INFO  
CONTACT CPT SUE HARDMAN, 543-6296.

100% CREDIT FOR ROTC

## SSPB Movies

On March 2 and 3 in the Wicomico Room at 7 and 9:15 p.m. SSPB Films presents *Forbidden Planet* (1956). This film is a 50's sci-fi classic that inspired many of the contemporary space films and TV shows. Its morality-play structure gained popularity in the Star Trek TV series. The space ship and "crew member" Robbie the Robot were cloned for the late 60's TV series "Lost in Space."

The SSPB Cultural Committee will be presenting the film *The Learning Tree* on February 28.

## ZTA News

Zeta Tau Alpha would like to congratulate and welcome her newest sisters. They are Sabrina Bowman from Oklahoma; Robin Diehl from Phoenix, MD; Kim Stockton from Joppa, MD; Kim Watson from Salisbury; Lauren Witzczak from Medford, NJ; Jill Dugoski from Annapolis, MD; Niki Fraley from Kensington, MD; Beth Hipp from Silver Spring, MD; Chantel Kushner from Fort Washington, MD; and Kellie Lohne from Medford, NJ.

ZTA is very proud of them and knows that they have a lot of potential to do great things for the chapter.

ZTA is planning a trip to Annapolis on February 24 for a regional one day convention with other Zetas in the area. We will be attending various workshops and planning for the future.

The Spring Formal is planned for March 3 at the Carousel Hotel in Ocean City. Dinner and an awards ceremony are among the planned activities for the evening.

Zeta Tau Alpha hopes the campus community had a safe and happy winter vacation.

## Salisbury Symphony Orchestra

The Salisbury Symphony Orchestra at Salisbury State University is holding open auditions for qualified string players.

The SSO presently includes members from most of the lower counties of Maryland, as well as players from lower Delaware and the Eastern Shore of Virginia. This spring's schedule includes the orchestra's annual fund raiser, "Savor the Symphony," on Friday March 23, in the University Center at Salisbury State University; its spring concerts are on May 18 and 19 in Holloway Hall Auditorium, with special guest artists, the Annapolis Brass Quintet.

The SSO rehearses every Sunday from 7 to 9 p.m. during the school year. Anyone who plays a string instrument and would like to become a member, please contact Dr. Thomas G. Elliot, chairman, department of music, SSU at (301) 543-6385 for an interview/audition.

## Paul Douglas Scholarship

Applications for the Paul Douglas Teacher Scholarship are available in the Financial Aid office immediately. The deadline for filing is March 31. Applicant must be a Maryland resident. Must be a full-time student and enrolled in the Teacher Education Program. Recipient must agree to teach on a full time basis for two years for each year of assistance. This program is not need based.

## Christa McAuliffe Scholarship Foundation

The Christa McAuliffe Scholarship Foundation has established an endowment for teacher education to honor and recognize the ideals of teacher-astronaut Christa McAuliffe. Applicants for this scholarship must be Maryland residents enrolled in a program leading to teacher certification. Recipient must agree to teach one year in Maryland public schools for each scholarship grant received. Applications must be postmarked by March 1, 1990. Applications are available in the Financial Aid office, Holloway Hall 243. Recipient must be a full-time undergraduate and maintain 3.0 grade point average. This scholarship is need based and you must have filed the Financial Aid Form.

## Graduation Application Deadline

All undergraduate students who plan to complete degree requirements in December 1990 or Winter 1991 must complete an Application for Diploma in the office of the registrar by Friday, March 9, 1990. All applications must be approved by the chairperson of the student's major department and must be accompanied by the \$40.00 graduation fee. The purpose of this early application deadline is to allow time for each senior's records to be reviewed in detail prior to their last semester of attendance at the university, and this insures that students are aware of their academic status early enough to make any last minute adjustments in their plan of study.

The graduation fee covers expenses related to the degree audit process, the graduation ceremony, the student's cap and gown, and the printing of the diploma.

## Code of Conduct

In order to better provide students with information on expectations for responsible citizenship and procedures for judicial proceedings, a written Student Code of Conduct is published along with a Judicial System Guide. Topics included in the Code of Conduct include academic and computer dishonesty; theft; possession, storage, use of firearms; drug and alcohol use; misuse of college property; false information; assault and verbal harassment; violence and extremism; disruptive behavior; sexual harassment; hazing. The Judicial Guide explains disciplinary proceedings in residence halls and campus-wide, the function of student advocates, procedural and due process, sanctions and appeals. The University Sexual Harassment policy describes informal and formal procedures for handling complaints. Copies of all three brochures are available from the University Center Information Desk and Dean of Students office, 212 University Center.

## Spring Break Trips

Last year several students contracted with Campus Vacation Association (NY) for a beachfront spring break vacation in Florida, only to learn at the last minute that the company had secured them lodging at an inland location. These students were unable to satisfactorily resolve the problem. To avoid similar problems, you may call the Maryland Consumer Protection Division locally at 543-6620 and check out companies before you send them a check.

## SAE News

The brothers of the Maryland Sigma chapter of Sigma Alpha Epsilon National Fraternity are once again back in full force. The Brothers look forward to an outstanding semester of academics, athletics, community service and socials. In addition to working on our always strong rush program, the brothers have already completed our first community service activity, registering and officiating for the Easter Seals Volleyball Weekend. The charity event was held on Sunday, February 18 in Maggs Gym. The brothers would also like to congratulate our 14 new initiates: John Brosh, Patrick Curley, Ed France, Randy Friedhoffer, Andy Giacco, Frank Howe, Greg Maney, Mike Melletz, Jeff Rice, Jack Siney, Jeff Tyler, Chris Walker, Joseph Walker and Todd Wright. Upcoming rush events for this semester are February 28 at 7:30 p.m., March 3 at 1 p.m. and March 6 at 7:30 p.m. All of these events are meeting in the Wicomico Hall basement, with all upstanding gentlemen of class and distinction to attend.

## Job Hunting Methods

Terry Clay, career development specialist, is holding a workshop for members of the Salisbury State University chapter of the International Association of Business Communicators. Clay will discuss "How to Go About Getting a Job" in room Nanticoke A of the University Center on February 27 at 7 p.m.

Clay will talk about the avenues and resources used in finding good jobs, and give pros and cons concerning cold calling, answering classified ads, etc. She will have many helpful hints for SSU seniors. Underclassmen will benefit by using the information to find summer jobs and externships.

Clay is part of SSU's Center for Personal and Professional Development. The workshop is sponsored by IABC/SSU.

IABC/SSU is a professional organization for students of all majors who are interested in organizational communication. For membership information contact Shelley Christian at 742-4060 or Terry Ayers at 860-2731.

## Perdue Scholarships

The Perdue School of Business is seeking applicants for three Fall 1990 scholarships for upcoming juniors and seniors in Accounting, Business Administration or Economics. The deadline for applying is March 15, 1990. Please come to Holloway Hall 326 for further information and application forms.

## Insurance Plan for Students

Students and/or their dependents now have an opportunity to enroll in a very flexible and convenient insurance plan, the Sentry Student Security Plan. Any full or part time student who is registered and attending a state accredited college or university that formally authorizes the Sentry plan is eligible to enroll. Coverage may also be maintained during the summer vacations and up to one term after graduation. This program offers several good options. Please stop by the Health Center for a brochure or application. Salisbury State University has authorized this insurance program.

## Landlord Hassles???

Students experiencing problems with landlords may contact the Dean of Students office for help in resolving disputes. Services offered include mediation and referral to community resource agencies. "Off-Campus Rentals: A Resource Guide for SSU Students" is also available at either the Housing Office or the Dean of Students office.

## VAX Training Classes

Training classes for the VAX Editor (EDT) will be held in the Main Computer Center, Room 125 of Caruthers Hall on:

Wednesday	Feb. 21, 1990	7 - 8:30 p.m.
Thursday	Feb. 22, 1990	2 - 3:30 p.m.
Saturday	Feb. 24, 1990	10:30 a.m. - noon

You must sign up prior to any scheduled training in the Main Computer Center, if you wish to attend. Please, bring your VAX Class Account Card to the training.

## Biological Society

Alpha Omega Biological Society will have its first meeting of the semester tonight in Devilbiss Hall 120 at 7 p.m. Topics will include Earth Week, socials and upcoming events. A full schedule of the semester's activities will be available.

## May Graduates

Commencement Exercises will be held on Saturday, May 26, 1990 at 10 a.m. in the Wicomico Youth and Civic Center. Further information will follow shortly.

## Alcohol and Drug Prevention Resource Center

In response to requests from community members and students who use the Alcohol and Drug Prevention Resource Center at Salisbury State University, evening hours have been established. The center is now open from 7-8:30 p.m., Mondays, Tuesdays and Wednesdays.

Reservations for tapes or materials can be made by calling the center ahead of time at (301) 543-6309.

## Education Rights and Privacy Act

Salisbury State will assume the right, under the provisions of the Family Educational Rights and Privacy Act, to provide student directory information without prior consent of the student.

Directory information is defined as the student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational institution attended and other similar information.

In the event a student wants more or less than directory information released, please notify the office of the Dean of Students, 543-6080, Room 212, University Center.

## American Association of University Women

The Salisbury branch of the American Association of University Women offers a \$1,000 scholarship each year to an SSU junior or senior woman attending full-time who is a resident of the Eastern Shore of Maryland and is in need of financial assistance. Applications may be obtained from the Financial Aid Office in Holloway Hall, Room 243 or the Dean of Students office, University Center, Room 212. Deadline for application is March 9, 1990.

## Maryland State Nursing Scholarships

Applications for the Maryland State Nursing Scholarships are available in the Financial Aid office. Deadline is April 16, 1990. Recipient must be a Maryland resident and attending a Maryland school. Must have a 3.0 G.P.A. Applicant must be enrolled in an academic program leading to a nursing degree or diploma. Recipient must practice in Maryland one year for each year of the award.

## Microfiche Copier in Library

Blackwell Library now has a microfiche reader-printer for public use. It operates by the use of a Vendacard, on the same basis as the library's Xerox machines. It is located in the reference room.

This new reader-printer will copy the periodicals which the library has on fiche, plus the ERIC collection, the BCL collection, the U.S. Documents, the Annual Reports and the CIRR (Corporate and Industry Research Reports).

Copies from microfilm and other microfiche collections will still need to be ordered at the library's circulation desk.

## Andrew Hudgins Reading

Poet Andrew Hudgins will read from his books "Saints and Strangers" and "After the Lost War," in the social room of Holloway Hall at Salisbury State University on Thursday, February 22, at 8 p.m. The event is free and the public is welcome. For more information call the SSU Public Relations Office at (301) 543-6030.

## Ladner Lecture

Dr. Joyce Ladner, a nationally known sociologist regarded as an authority on the issues of today's family relationships, stress, children and transracial adoption, will lecture at the Salisbury State University Center on Monday, February 26, at 7:30 p.m. Ladner, a professor at the Howard University School of Social Work since 1981, will discuss "Strengths of Afro-American families." Her presentation, in the Wicomico Room, is free and open to the public. Her lecture is part of a series of programs celebrating Black History Month on campus. For more information, call the SSU Public Relations office at (301) 543-6030.

## Spring Break Closing

The Book Rack announced recently that it will close for Spring Break at 5 p.m. Friday, March 22, 1990. The store will reopen on Monday, April 2, 1990 at 8:30 p.m.

Make sure you stop by the Book Rack and check out the SPRING BREAK SHOPPE... another new feature this year.

## ENTERTAINMENT

February 21, 1990

# "Anything Goes" Sets Sail for SSU

by Scott M. Howard, staff writer

"Anything Goes," the musical that was touted as "the show that signified the end of the Depression," will be hitting Holloway Hall stage March 9, 10, 11, 14, 15, 16, and 17.

"It's going to be a lot of fun," says Paul Pfeiffer, SSU theatre director, and as director of this musical, "I'll be excited to see it done so I can sit back and watch it."

The classic musical, originally written in 1934, joins together many facets of the entertainment world. Sleek, streamlined sophistication, dancing reminiscent of Fred Astaire and Ginger Rogers, great music, romance and comic twists all combine to produce

## Disney Ice Show

by Susan Harris, entertainment editor

When Walt Disney's film classic, "Pinocchio" was released in 1940, it represented the highest achievement ever in the animated arts.

Now, one of the world's leading producers of live entertainment, Kenneth Feld, has brought this favorite to life for the first time ever in Walt Disney's Magic Kingdom on Ice starring Pinocchio. The show features a whole cast of Disney favorites including Mickey Mouse and Donald Duck.

"We are very pleased that after four years of negotiation we are able to bring Walt Disney's Kingdom on Ice to the Civic Center," said Robert Wagoner, director of the Salisbury Civic Center.

ASSOCIATION OF AMERICAN PUBLISHERS/NATIONAL ASSOCIATION OF COLLEGE STORES

what Pfeiffer calls "a pretty flashy show."

The musical is based around the cruise liner "American" on its voyage from New York City to England. On board a number of society types cross paths to produce strange yet funny situations. Some of the characters are a would-be gangster -- Public Enemy No. 13 -- due to his lack of success, a crook posing as a minister, a Mac West type night club singer with her back-up singers who add flash and glitter to the ship, and of course the ever popular love interest! The biggest part of the show may be the music.

At the time of the musical, the "Big Bands" were coming into shape, and the SSU production will be using a 12 to

16 piece orchestra to play such classic tunes as "You're the Top," "Take Me to Manhattan," and "Lovely."

"The play is only an excuse for great music," says Pfeiffer. "Once you hear these songs, you'll know you've heard them before." The whole orchestra will be directed by Ray Ziegler and will consist of the top players of the area. "It's a small group," says Pfeiffer, "but they're the best."

Duane Karna is working with the singers. Along with this great music will be great dancing, in the mold of Fred and Ginger. "A few students from the dance company came out," says Pfeiffer. "They'll be able to add to the classiness of the production."

The stage promises to be as exciting as the music and the dancing. The set will be designed as if you are looking at the stern of the ship. A turntable will rest on the stage floor and turn in order to make set changes without lowering the curtain.

As with any production, there are

## Photography Exhibits

by Susan Harris, entertainment editor

her photographs of two Johannesburg families.

Two internationally-known photography exhibits are currently on display on campus.

Female photographer Constance Stuart Larrabee's work will run until March 2 in the Atrium Gallery at the University Center.

Larrabee's main photography years were from 1937 to 1949. She was a war correspondent in Europe during World War II. Larrabee was also one of the first photographers to see photography as a form of art.

In 1949, she collaborated with author Alan Paton, who wrote *Cry, the Beloved Country*, the classic novel about South Africa. Larrabee presented a narrative view to Paton's novel with

the second exhibit is the display of internationally-known photographer Lewis Hine at the SSU Gallery in Blackwell Library. Hine's exhibit includes documented photographs of American labor. "Lewis Hine: Reformer with a Camera," is probably one of the best exhibits to come to Salisbury's campus. The shots are moving, emotional and full of expression. The phrase "...a picture is worth a thousand words" definitely holds true in the case of this exhibit. This presentation, organized by the Library of Congress, will run until March 1 and is shown seven days a week at various times.

Andrew Day, photographer  
University Center Director David Ganoe, Photographer Constance  
Stuart Larrabee, and Atrium Gallery Director Donna Forash gathered at a talk on Larrabee's "Seek What Is True" exhibit.

# A Taste of Las Vegas

by Scott M. Howard, staff writer

The Ruth Powell Student Employee Organization will be sponsoring an evening of entertainment and glamour, Las Vegas style.

On February 22, the Wicomico Room of the University Center will be converted into a casino complete with food, dancing and gambling. "It's going to be a very enjoyable event," said Associate Director of University Dining Services (UDS) Carmen A. DiSylvestro.

The two dollar admission fee pays for an entire evening of Vegas style excitement, including food and \$2,500 in play money which can be used to spend on traditional gambling favorites such as Craps, Poker and Black Jack. Staff and faculty will be the dealers. Later in the evening, people will have the opportunity to cash in their winnings on great prizes.

A dance floor will be provided and a D.J. will be spinning the wax. As the midnight hour approaches, the D.J. will turn auctioneer, giving away prizes that include dinner for two at a local restaurant, tanning sessions, picnic lunches for two, and much more, including several surprises throughout the evening.

Karen Sebastian, who helped organize the event, has high hopes for

the success of the event. "It's a new semester, a new decade," says Sebastian. "It's a great opportunity to start the semester off on an exciting foot."

RPSEO, which is sponsoring the event, was initiated by Bruce McLean in 1985 and has since put on a number of events such as lip sync contests and

*The two dollar admission fee pays for an entire evening of Vegas style excitement...*

talent shows.

"We'd like to make this an annual event," says Sebastian, "but too many events ruin the novelty." It's been almost two years since the last RPSEO event, but according to Sebastian, the organization has regained interested people who are willing to work.

DiSylvestro also added, "Without the help of the many University Dining Service employees, and the many other volunteers, this event could not be possible."

The event will begin at 9:00 p.m. on February 22 in the Wicomico Room of the University Center, open to all. The auction for prizes will begin at midnight.

## "The Astonishing Neal"

by Bill Roberson, reporter

thoughts in foreign languages.

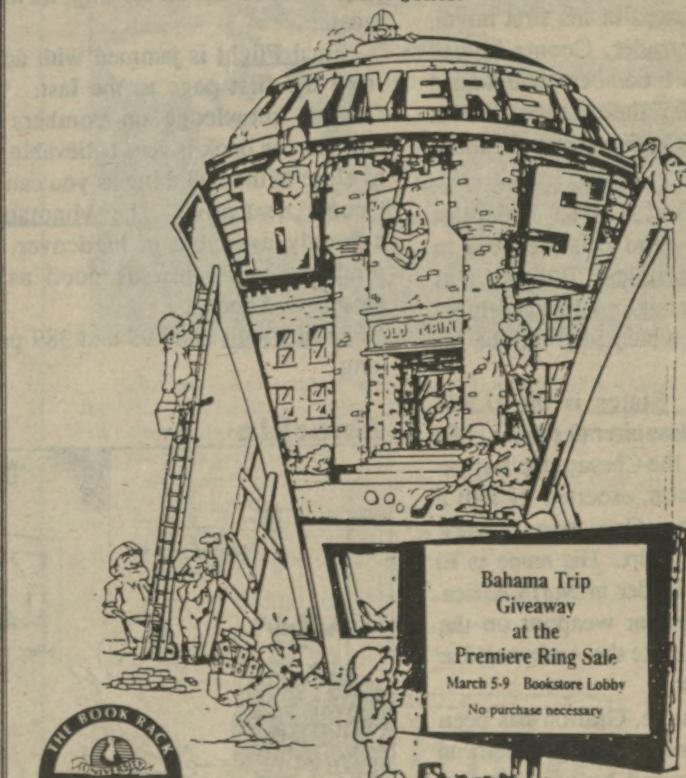

On Saturday, February 24, the Salisbury State Program Board (SSPB) will present the hypnotist "The Astonishing Neal" at 8 p.m. in the University Center's Wicomico Room. The two and a half hour show entitled "A Close Encounter With the Mind" will be held in two parts.

In the first stanza, "ESP as Entertainment," "The Astonishing Neal" will display clairvoyance, mental telepathy, para-optic vision, precognition, psycho-kinesis, and ESP (Extra-Sensory Perception). Objects will move, and steel will bend from Neal's mental powers. The second part, "The Power of Suggestion," will be devoted to hypnotism with full audience participation.

Eugene Neal became fully aware of his talents at age nine. Friends and relatives marveled at his ability to predict events and tell how much money onlookers had in their pockets.

Outside "The Astonishing Neal's" schedule, Eugene Neal still has time to be a member of many important organizations that promote the use of hypnosis. These organizations include the American Guild of Hypnoterapists, and the Association to Advance Ethical Hypnosis.

Salisbury State University's newest collection of CLASS RINGS are now under construction by Herff Jones.

## The Vinyl Report

by Scott M. Howard, staff writer

I suppose you're wondering why I'm not reviewing any records for this, the first *Flyer* of the new semester. I'll get right to it -- I'm being held hostage by forces beyond my control!

Timing is a big factor in deciding when to release a record, and according to record companies and distributors, the beginning of the year is a bad time. But all hope is not lost! Some big artists will be releasing wax as soon as the spring approaches. Here's a quick run-down of the stuff to come. Check this out!

I go down to the record store  
what do I see?  
A bunch of empty shelves  
no records for me.  
I say to the record man  
"Yo, what's going on?"

But he kept singin' the same old song

On the Bookshelf  
Final Flight

by Jim Bergevin, columnist

Just as Tom Clancy is noted for his books on espionage and war, and Harold Coyle for his thrilling tank battles, so Stephen Coonts has made a name for himself with the navy and jet fighters. Coonts' second novel has been published in paperback, titled *Final Flight*. Coonts was commissioned in the navy, and flew bombers during Vietnam. As stated in his first novel, *Flight of the Intruder*, Coonts logged 1600 hours in A-6 bombers, and landed on a carrier 305 times, over 100 at night, so Coonts knows his stuff, and it shows.

Jake Grafton was an A-6 pilot during Vietnam, and was the hero in *Flight of the Intruder*. But that was over fifteen years ago. Grafton returns in *Final Flight*, which just may be his last mission.

The United States is the U.S.'s newest Nimitz-class aircraft carrier. She is launched from the Chesapeake Bay on a work-out mission, escorted by half a dozen destroyers. One man is very interested in this ship. His name is El Hakim, an Arab leader in North Africa. He wants the nuclear weapons on the carrier so he can unite the Arab world as its supreme leader.

In the meantime, Grafton has been grounded from night flying due to an eye condition caused by his cigarette smoking. On top of that, several sailors are found missing from the last shore leave. Then, while the ship is docked at Naples, the terrorists make their move.

It is frightening to see how easily the terrorists infiltrate the United States.

He said, "Man, I can't help it -- my hands are tied."

If you'd take it easy, I've got a surprise."

I said, "A surprise?"

This better be good!"

Man, don't worry, it's good. Ozzy's got a new one and it's really sweet

The Father of Rock just can't be beat. MC Hammer, Public Enemy, too. Rockin' in the spring along with U2 I said, "U2? I thought they left the planet!"

He said, "No, no, just smokin' fancy plants."

Speakin' of plants, one from Robert is due

The screamer from Zep is rockin' too.

So that's the list,

How do ya like it?

"Dude that's cool, I hope the Gulls like it!"

--MCYZ

## Sea Gulls Set For ESAC Tourney

by Rick Thornton, sports editor

With one regular season game remaining, the men's basketball team of Salisbury State University has compiled a 12-12 record and is getting set for the ESAC tournament this weekend.

Following the Gulls 114-96 defeat of Messiah College (Pa.) last Thursday, SSU's per game scoring average stood at 103.3, tops among the nation's Division III schools. In the victory over Messiah, the Gulls employed a full court press which caused 34 turnovers from the opponent.

David Byer led six Gulls scoring in double digits with 23 points. Joe McCahon, Jamie Gosweiler, Joe Zdrojewski and Russell Springmann tallied 21, 20, 17 and 10 points respectively.

Springmann, McCahon and Eric Jordan played their final home game versus Messiah. All three are seniors.

Recapping the Gulls' action since the holidays, SSU dropped its first two games of January. McCahon scored 28 and 27 points in 100-82 and 128-110 losses to Allentown and Washington.

From that point Salisbury has won

## SSU Wrestling

by Todd Whitehouse, staff writer

powerhouse Trenton State. Lewis won by a slim 3-2 count.

Against American, Bethard won again, pinning his opponent at 1:33. Also winning was Jeff Hake (167), 13-10.

At the Sea Gull Invitational held on January 12, both Lewis and Bethard

*Most recently in the Metro Tournament, Lewis led the team with 54.25 points and won the 177 lbs. class.*

lb. class match 10-7. Neil Benz (158 lbs.) and Andy Ryan (177 lbs.) both won by forfeit. This match saw the Gulls end a dual meet record of 2-7.

Earlier matches that the Gulls dropped were against York, Trenton State (ranked thirteenth in the nation), and American University. Again, several excellent individual performances were recorded.

Against York, Will Sandidge (126 lbs.) won 9-3. Also, Ron Miles (142)

and Marty Lewis (177) won 5-1 and 16-7, respectively. Heavyweight George Bethard won his match by forfeit.

Only one victory was gained against

8 of their last 12.

On January 15 and 17, SSU captured two home conference victories over Frostburg and Shenandoah. Byer canned 25 in the Frostburg win and followed that up with 24 against conference leading Shenandoah.

The Gulls next played in the Castle Classic. Salisbury knocked off St. Joseph's (Md.) in the first round 106-90 due largely in part to a career-high 45 points from McCahon.

The Gulls fell in the finals of the Classic to Manhattanville 109-103, and had to settle for second place.

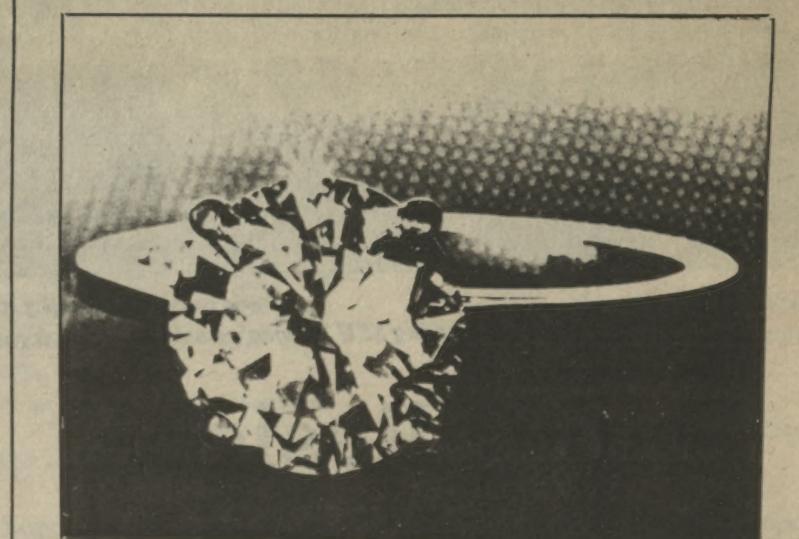

Two days later SSU topped Eastern in a 141-132 overtime shootout at Maggs Center. Byer burned the nets for 41 points and McCahon poured in 31 of his own.

The action was a little more subdued in Salisbury's road victory over York (Pa.) on January 27. Byer scored 16 and Springmann and McCahon added 15 apiece as SSU evened its overall record to 9-9 with the 88-62 win.

The Gulls took it on the chin at Shenandoah on the final day of January 131-92. Sophomore Jamie Gosweiler scored 19 points and grabbed 9 rebounds

Open Friday until 8

# Lady Gulls

by Todd Whitehouse, staff writer

The Salisbury women's basketball team, 9-10 overall and 5-3 in the ESAC, will be going to the ESAC tournament this weekend. The Lady Gulls will qualify with Frostburg State and almost-secured seed Allentown, while Cabrini and Marywood are still fighting for the final slot.

The tournament will be hosted by either Frostburg or Allentown depending on the outcome of a head to head battle between the two clubs. Since the beginning of the new year, the team has gone 5-6 with a second place finish in the Castle Classic. Victories over Marywood, 63-57; Frostburg, 55-49; Cabrini, 52-50 (OT); Shenandoah, 73-63; and York (Pa.), 69-53; kept the team in the running for its conference playoff spot.

The Lady Gulls have not been more than one game over or under the .500 mark the entire season.

Individually, Sandy Jankevicius leads the team in scoring, 17.1 PPG rebounding, 6.9 RPG, and is second in assists at 3.4 APG. Jankevicius became the fifth member of the Lady Gull 1,000 point career club earlier this season.

Other individual statistics include: Vicki Miller second in scoring, 10.4 PPG and first in assists at 4.2 APG; Christie Ivison third in scoring, 9.3 PPG and rebounding at 5.7 RPG. Jeanie Daly is second in rebounding with 6.6 RPG.

Also since the break, Jankevicius has led the team in scoring in seven of the Lady Gulls' 11 games.

Miller had six assists and six steals to go with her 17 points against Frostburg.

The team looks to the ESAC tournament with high hopes as they have had regular season victories against Frostburg, Cabrini and Marywood.

Vicki Miller sets the tempo during SSU Women's Basketball recent game versus Shenandoah.

## Dailey Resigns

Dr. Joseph Dailey, associate professor of physical education, resigned as head football coach at Salisbury State University January 30, announced Dr. William Lide, athletic director.

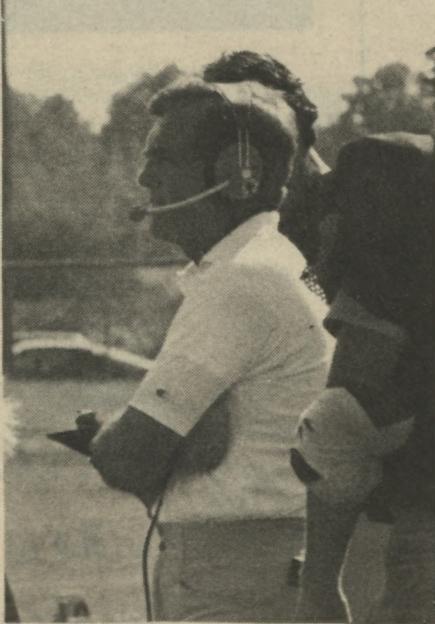

Dailey cited family considerations and personal reasons for leaving the coaching ranks at this time.

"We have great regard for Joe Dailey," said Lide, "and we appreciate his many contributions to the football program and to the campus community."

During Dailey's three seasons at Salisbury State, the Sea Gulls compiled a 15-11-1 record.

Dailey will continue as a full-time faculty member in the physical education department.

The search for a new coach will begin January 31.
